

ALL. IN.

For the church to be all that God created it to be **YOU** are essential. At KXC, we believe you get the most out of church by giving the most to it; which means joining in with the practices of being part of the family: **come, belong, serve and give**

LOOKING FORWARD

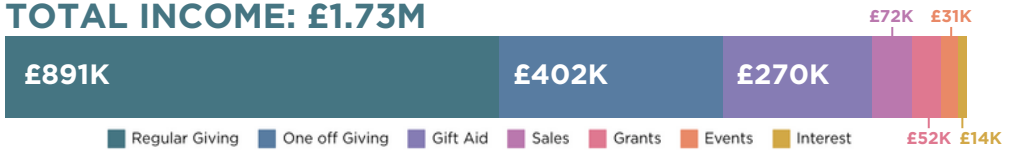

In September we named four priorities: **Hosting God's Presence, Making Room at the Table, Leaving for the 99 and Releasing the Next Generation.**

To serve these priorities we have changed our Sunday service times to double our kids work capacity. We're also excited to announce that **in September, we're sending Lois Tackie-Oblie to plant a new church in Stockwell.** We'll share more about how to get involved in the weeks ahead.

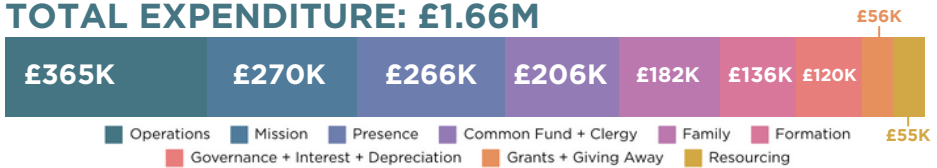

GIVING GOAL: £250,000

To resource what the Spirit is stirring at KXC we are seeking to raise £250,000 through regular giving and one-off gifts. We're also aiming for **at least 50% of our family to give to the church regularly.**
